Liturgical Press to publish the only Spanish/English bilingual edition of the Catholic marriage rite available in the United States

COLLEGEVILLE, MINNESOTA (May 2016)—Liturgical Press is proud to be the only American publisher to offer both English and bilingual (Spanish-English) editions of the newly approved *Order of Celebrating Matrimony, Second Edition*. Both editions will be produced with the beauty, quality, and affordability our customers have come to expect.

In addition to an elegantly produced English edition which promises to stand out among those available from three U.S. publishers, **Liturgical Press is the only publisher in the country to offer a Spanish-English edition of the Catholic marriage rite.** The book will serve as an important liturgical/pastoral resource for communities and celebrations where both English and Spanish are spoken.

Both ritual editions will be available from Liturgical Press starting August 25, 2016. The U.S. bishops have approved it for use in the celebration of the sacrament of matrimony starting September 8, and mandated it starting December 30.

The publication of the second edition of *The Order of Celebrating Matrimony* provides new liturgical and pastoral opportunities for presiders and parishes. *One Love: A Pastoral Guide to The Order of Celebrating Matrimony*, by Fr. Paul Turner, is one of several new resources published by Liturgical Press for celebrating the marriage liturgy. Fr. Paul Turner, one of the most reliable experts in Catholic liturgy today, has provided *One Love* as a companion resource to provide sound guidance and instruction on the rite.

One Love covers a variety of important and practical topics including: Uses for the expanded introduction; the engagement ceremony; the location for the wedding; the revised words for the questions, consent, and reception of consent; the customs of the arras, the lazo, and the veil; other wedding customs; and more. It promises to be the go-to liturgical resource on Catholic weddings for years to come.

New resources for celebrating the marriage liturgy are available directly from Liturgical Press.
